

District Engineers having real estate responsibilities.

§ 644.112 Applicable statutes in condemnation proceedings.

A complaint in condemnation, and any declaration of taking filed in conjunction therewith, will contain a citation of the congressional authorization and appropriation acts for the particular project, and any other applicable acts of Congress. Existing acts of Congress authorizing the acquisition of land and interests therein are outlined in AR 405-10 and subpart A. Acts of Congress applicable, generally, to condemnation proceedings are outlined below.

(a) *Military projects.* (1) Act of Congress approved August 1, 1888 (25 Stat. 357, 40 U.S.C. 257) authorizes the head of any Government department or agency to acquire real estate, otherwise authorized for acquisition, by condemnation proceedings.

(2) Section 2663 of title 10, United States Code, authorizes the Secretary of a military department to acquire by condemnation any interest in land, including temporary use of the site, construction, or operation of fortifications, coast defenses, or military training camps.

(3) Section 9773 of title 10, United States Code, authorizes the Secretary of the Air Force to acquire by condemnation additional permanent air bases and depots, enlarge existing air bases and depots, bombing and machine gun ranges, and areas for the training of tactical units.

(4) Section 2233 of title 10, United States Code, authorizes the Secretary of Defense (with authority to delegate) to acquire by purchase, lease, or transfer, facilities necessary for the Reserve Components. The authority to acquire by purchase has been held to include the authority to condemn. Therefore, this section authorizes condemnation for both Army and Air Force Reserve Training Sites.

(b) *Civil works projects*—(1) *Rivers and harbors.* (i) Act of Congress approved April 24, 1888 (25 Stat. 94, 33 U.S.C. 591) authorizes the Secretary of the Army to cause proceedings to be instituted for the acquisition by condemnation of any land, right of way, or material

needed to maintain, operate, or prosecute works for the improvement of rivers and harbors for which provision has been made by law.

(ii) Section 5 of the Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that possession of lands being acquired by condemnation proceedings for river and harbor works may be taken, provided adequate provision shall have been made for payment of just compensation.

(2) *Flood control.* (i) Act of Congress approved March 1, 1917 (39 Stat. 950, 33 U.S.C. 701) makes the provisions of the Act of Congress approved April 24, 1888 (paragraph (b)(1)(i) of this section) applicable to flood control works.

(ii) Section 6 of the Act of Congress approved August 18, 1941 (55 Stat. 650, 33 U.S.C. 701c-2) makes the provisions of section 5 of the Act of Congress approved July 18, 1918 (paragraph (b)(1)(ii) of this section) applicable to flood control works.

(3) *Local cooperation.* Acts of Congress approved June 29, 1906 (34 Stat. 632, 33 U.S.C. 592) and August 8, 1917 (40 Stat. 267, 33 U.S.C. 593) provide that the Secretary of the Army may institute condemnation proceedings for the acquisition of land or easement therein for river and harbor works which local interests undertake to furnish free of cost to the United States. The provisions of these Acts were made applicable to flood control works by the Acts of Congress approved March 1, 1917, and August 18, 1941 (paragraphs (b)(2)(i) and (ii) of this section).

(c) *Other pertinent statutes.* (1) Act of Congress approved July 18, 1918 (40 Stat. 911, 33 U.S.C. 594) provides that the United States shall have the right to take immediate possession of land to the extent of the interest condemned. The exercise of this right is subject, however, to the policy considerations set forth in the Act of Congress approved January 2, 1971, Pub. L. 91-646 (84 Stat. 1894).

(2) Act of Congress approved February 26, 1931 (46 Stat. 1421, 40 U.S.C. 258a) makes provision for the filing of a declaration of taking in conjunction with condemnation proceedings and provides that title to the land or interests in land included in the declaration of taking vests in the United States

upon filing with the court and deposit of the estimated compensation in the registry of the court.

(3) Title III of the Act of Congress approved January 2, 1971 (Pub. L. 91-646, 84 Stat. 1894) contains policies and guidelines for acquisition of land.

§ 644.113 Filing of complaint without declaration of taking.

(a) Only in exceptional cases will the Chief of Engineers give favorable consideration to the filing of a complaint in condemnation, and the request for an order of possession, without the concurrent filing of a declaration of taking and deposit of estimated compensation in the registry of the court. Examples of situations in which complaints may be used are as follows:

(1) Immediate possession is required for some essential military need and time does not permit preparation of an appraisal, title work, or negotiations.

(2) Condemnation proceedings are necessary in connection with a cemetery, in order to secure court approval of the relocation and reinterment plan in accordance with the procedure outlined in ER 1180-1-1.

(3) Where right of entry for survey and exploration, appraisal purposes, or other similar need is required, and there is no material interference with the owner's possession. However, where there is material interference with the owner's possession, or it is considered there will be significant damage to the land, a deposit of estimated compensation may be necessary.

(b) *Approval required.* Prior to submission of a complaint assembly, except in cemetery cases, all pertinent facts justifying the need for such action will be submitted to the Division Engineer for approval. If the proposed action is approved, the Division or District Engineer will inform all affected landowners and tenants of the action being taken, the necessity therefor, and the subsequent procedure to be followed by the Government in conducting negotiations to acquire the land after the filing of the complaint.

(c) *Complaint assembly.* The following assembly will be submitted to HQDA (DAEN-REA-C) WASH DC 20314 where only a complaint is to be filed:

(1) Five copies of individual tract descriptions identified as *Exhibit "A"*. (Reproduced copies will be accepted if clear and legible.)

(2) Five copies of segment or project maps, showing each tract or area to be acquired shaded or outlined in red and identified as *Exhibit "B"*.

(3) Five copies of a list of the names and addresses of the persons purporting to own the tracts or having an interest therein, identified as *Exhibit "C"*.

(4) Five copies of the exact estate or interest to be acquired, identified as *Exhibit "D"*.

(5) In Air Force projects and acquisitions for other agencies, one additional copy of each exhibit will be required.

(6) In Air Force project acquisitions, the additional information set out in § 644.114(f) will be submitted, in duplicate.

(7) In those jurisdictions that adopt the alternate form declaration of taking, complaint assemblies should be similar to the schedules submitted for the declaration of taking assembly.

(d) *Letter of transmittal.* Where a complaint assembly is submitted, the letter of transmittal should include the following information:

(1) A statement indicating the date of approval of the Real Estate Design Memorandum in civil works projects or the date of the Real Estate Directive for other projects, and whether the land included in the complaint assembly is within the approved project boundary line, together with the citations of the authorization and appropriation acts which cover the acquisition.

(2) The approved appraised valuation and date of appraisal of the interest to be acquired or, if appraisals have not been prepared, the estimated value with a statement indicating the basis of the estimate.

(3) Information as to whether the land included in the complaint assembly is vacant or occupied, together with the date any occupants will be required to vacate the premises.

(4) If possession is required, an explanation of the need therefor and the reasons why the normal land acquisition schedule was not met.

(5) Results of contacts with the landowners and tenants and their views
